

David is a student at the National Taiwan University. His major is EE.

National Taiwan University (NTU), established in 1928, is Taiwan's premier research institution, renowned for its academic excellence and vibrant campus life. Located in Taipei, the university boasts a sprawling, picturesque campus dotted with historic buildings, lush greenery, and modern facilities. NTU offers a comprehensive range of programs across various disciplines, including the arts, sciences, engineering, and social sciences, attracting a diverse student body from around the world. With a strong emphasis on research and innovation, NTU fosters an environment where students and faculty collaborate on groundbreaking projects, contributing significantly to global knowledge and technological advancement. The university is also deeply integrated into Taiwanese culture and society, playing a crucial role in the nation's educational and economic development.

By the way, Walker is also a student at the National Taiwan University. He has the same major as David.
